SUBJECT
OBJET

Response to the President of the Institute on Governance (IOG)

For Action. Your approval and signature is requested by January 12, 2018 for the attached letter of response to the correspondence received from the President of the IOG on December 12, 2017.

Recommendation

It is recommended that you sign the letter of response addressed to Maryantonett Flumian, President of the IOG, informing her that the Department of Finance will not be sending any employees to the first public sector Certificate Program in Leadership (CPL), given the timing of the first cohort.

Since Ms. Flumian's letter was directly sent to the Deputy Minister (DM) it would be appropriate to have this letter of response sent by the DM.

Context

The IOG is launching Canada's first public sector CPL in February 20, 2018. On December 4, 2017, the IOG sent out a letter to DMs to inform them about the new program and to seek participants.

This new program is targeted to senior and middle managers and senior officers involved in complex, large-scale, multiyear programs who:

- are accountable at a strategic level to executive sponsors for delivering projects;
- manage schedules, budgets, teams/partners/stakeholders, and the performance of all program elements;
- lead high-level sessions for program planning and development; and
- review and approve project plans to conform to high level program strategy, plans and schedules.

**The program has 12 modules of 1-2 days each and participants complete 2 modules per month.
The fee for the CPL is \$18,000. The deadline for registration is January 31, 2018.**

Decision

President, Institute on Governance

Dear Ms. Flumian:

I would like to thank you for your recent letter regarding the first public sector Certificate in Program Leadership to be held in February 2018.

Unfortunately, the timing of the first cohort is not ideal for the Department of Finance as most of our employees are busy preparing the annual budget. As a result, we will not be sending any participants at this time.

Nevertheless, I would be interested to hear about the results of your first cohort as we may consider participation in future offerings.

I wish you success in this new endeavour.

Yours sincerely,

Paul Rochon
